1 Introduction

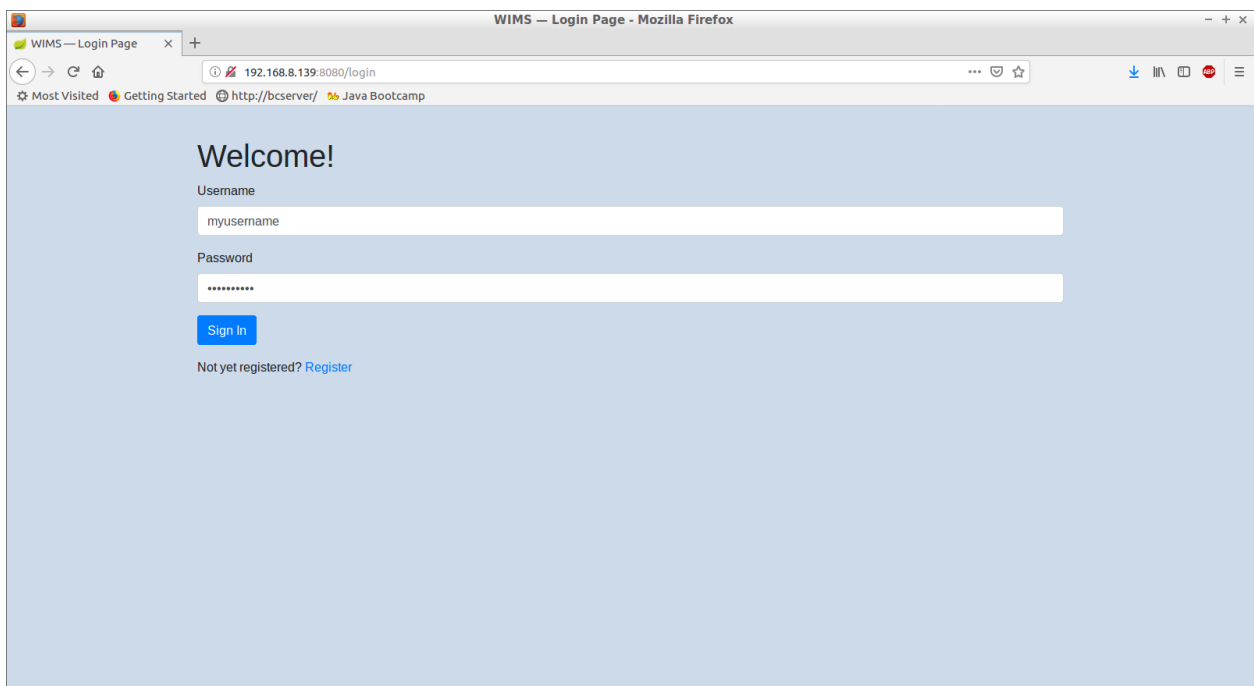

WIMS is the best note creating and tracking service developed specially for you! It allows you to track your life events via notes YOU made for yourself! It allows you not only create notes, store and search through them, but also DELETE, in case you want to forget something.

2 Quick Start Guide

1. To start using WIMS, go to <http://wims.mydomain/>. Login page will show up.

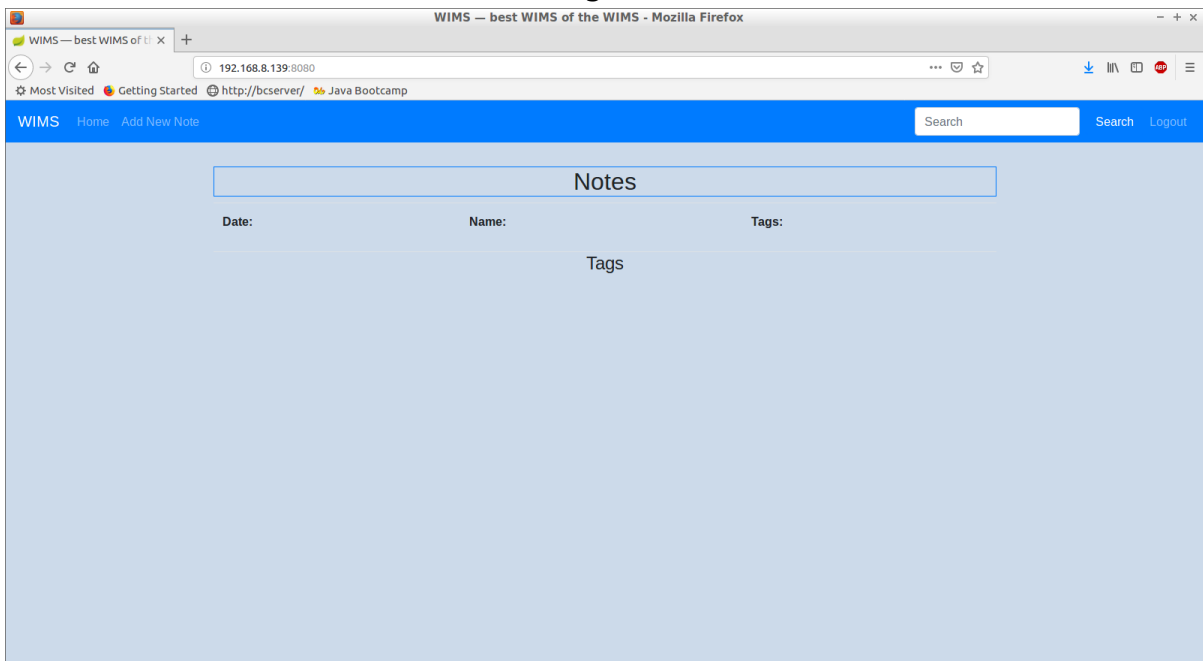

2. Enter your Username and Password.

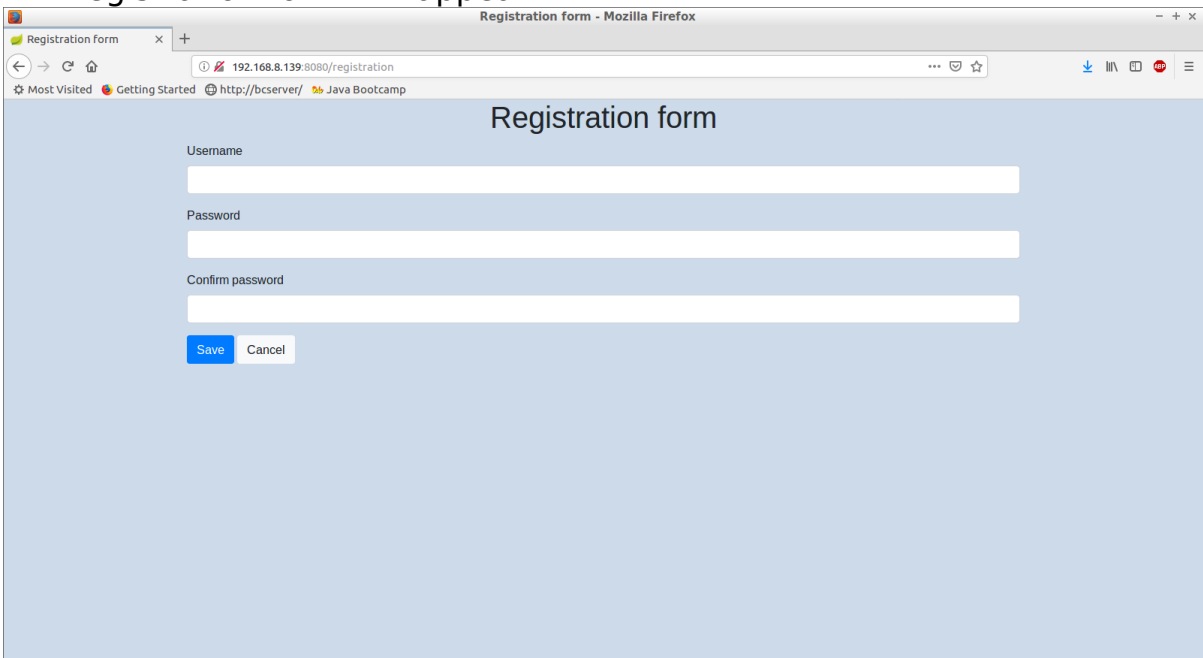

3. Press the Sign In button.

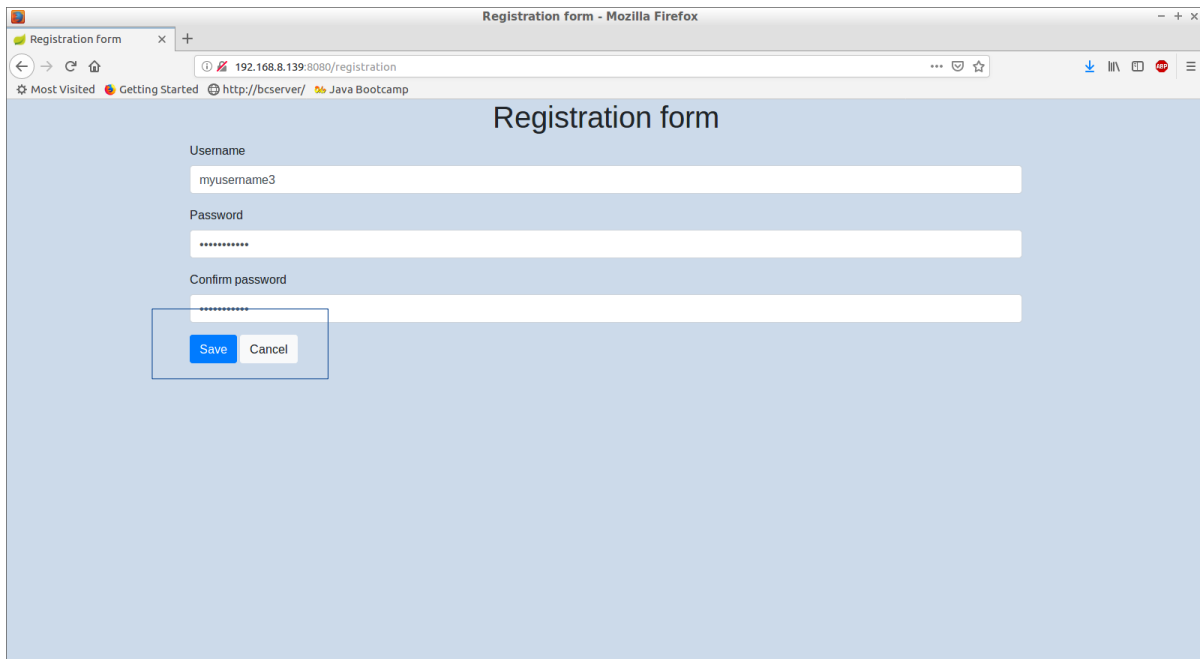

4. You will be redirected to Main Page.

5. If you do not have an account yet, press “Register” on login screen. A Registration form will appear.

6. Create your Username and Password.

The screenshot shows a Mozilla Firefox browser window titled "Registration form - Mozilla Firefox". The address bar displays "192.168.8.139:8080/registration". The page content is a registration form with the title "Registration form" centered at the top. The form contains three input fields: "Username" with the text "myusername3", "Password" with masked characters "*****", and "Confirm password" with masked characters "*****". Below the "Confirm password" field, there are two buttons: "Save" (highlighted with a blue border) and "Cancel".

7. Press "Save".

8. You will be redirected to Main Page.

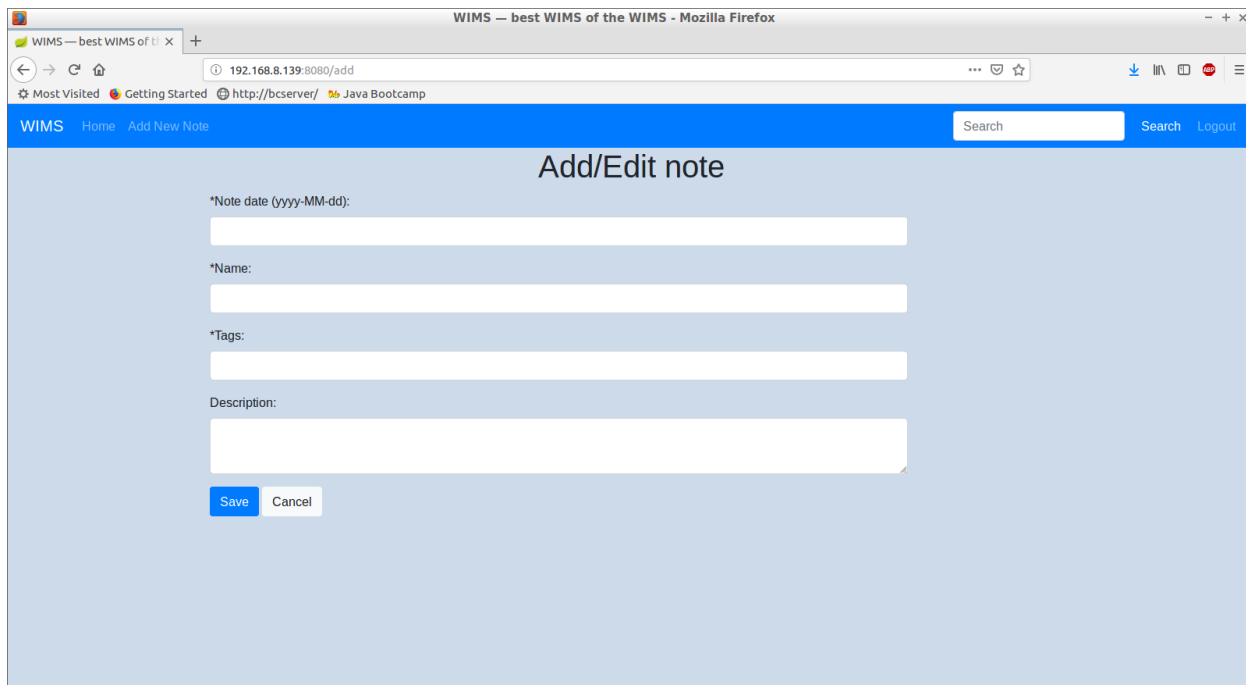

3 System Requirements

WIMS is a web application and doesn't require anything specific, just a web browser to access.

4 Main Scenarios of Use

4.1 Note creation

1. Go to WIMS page.
2. Login into your account
3. Add New Note” in the top navigation bar.
4. Note creation page will appear.

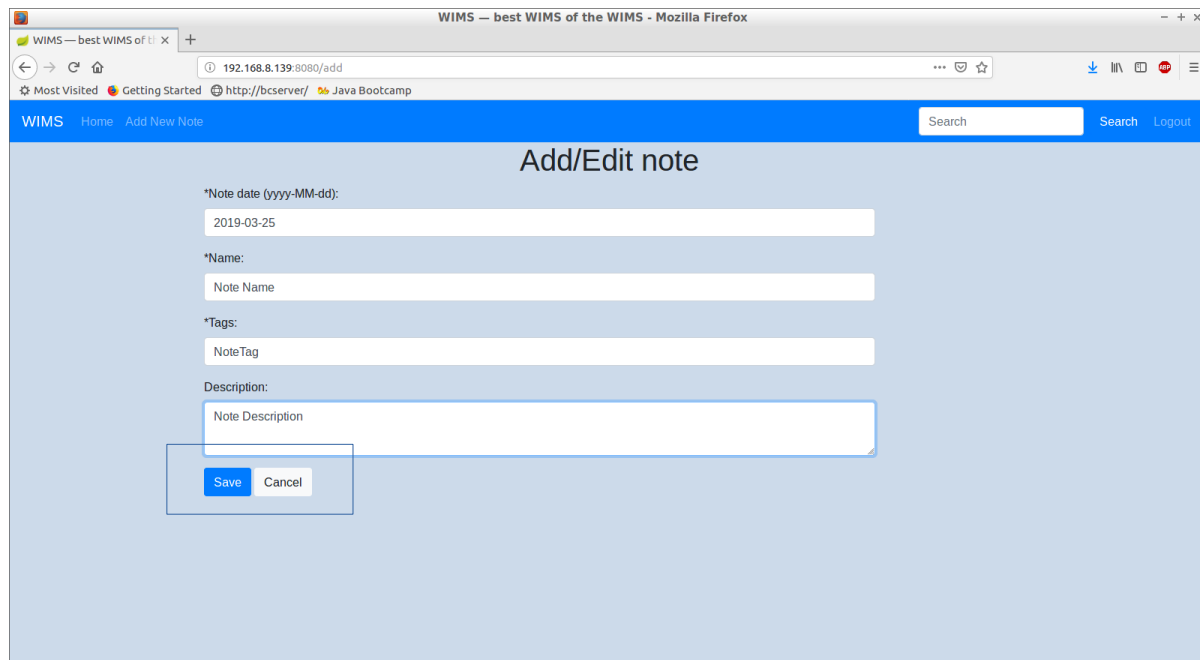

The screenshot shows a web browser window titled "WIMS — best WIMS of the WIMS - Mozilla Firefox". The address bar shows the URL "192.168.8.139:8080/add". The browser's top navigation bar includes "WIMS", "Home", and "Add New Note". A search bar with the text "Search" and a "Search" button is on the right. The main content area is titled "Add/Edit note" and contains the following form fields:

- *Note date (yyyy-MM-dd):
- *Name:
- *Tags:
- Description:

At the bottom of the form are two buttons: "Save" and "Cancel".

5. Fill in required fields.

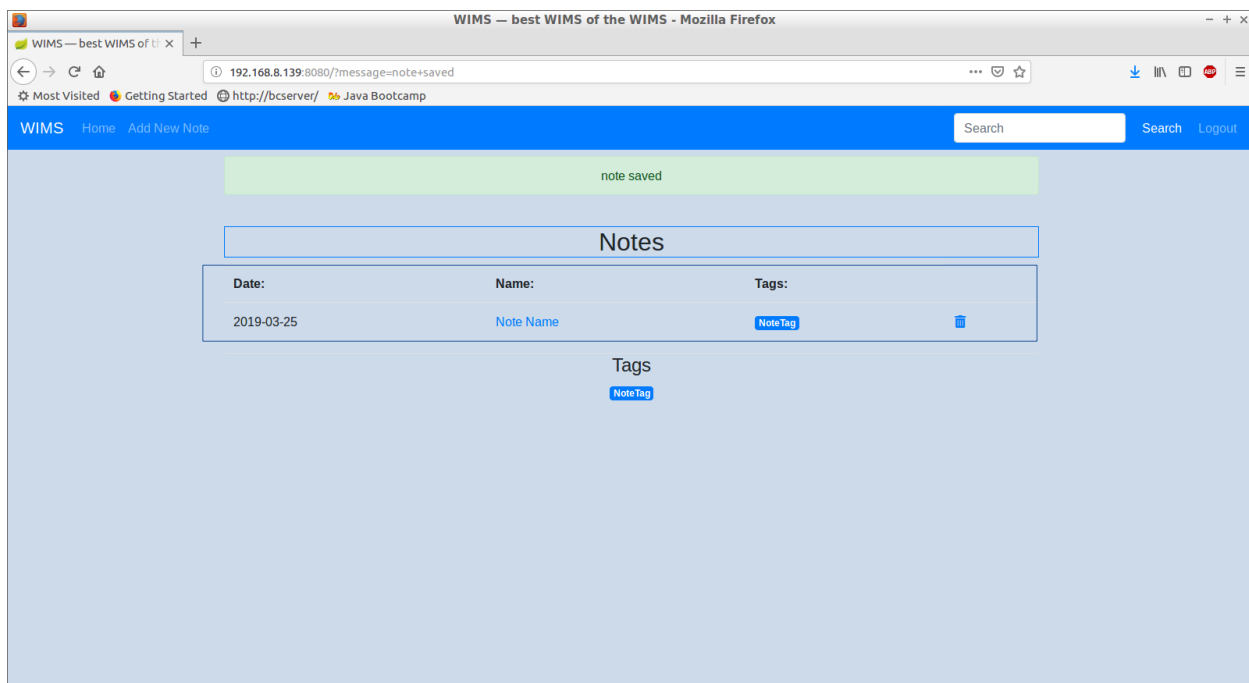

The screenshot shows a web browser window titled "WIMS — best WIMS of the WIMS - Mozilla Firefox". The address bar shows "192.168.8.139:8080/add". The page has a blue header with "WIMS" and navigation links "Home" and "Add New Note". A search bar and "Search" button are on the right. The main content area is titled "Add/Edit note" and contains a form with the following fields:

- *Note date (yyyy-MM-dd): 2019-03-25
- *Name: Note Name
- *Tags: NoteTag
- Description: Note Description

At the bottom of the form are "Save" and "Cancel" buttons.

6. Press save.

7. Your note will appear on Main Page.

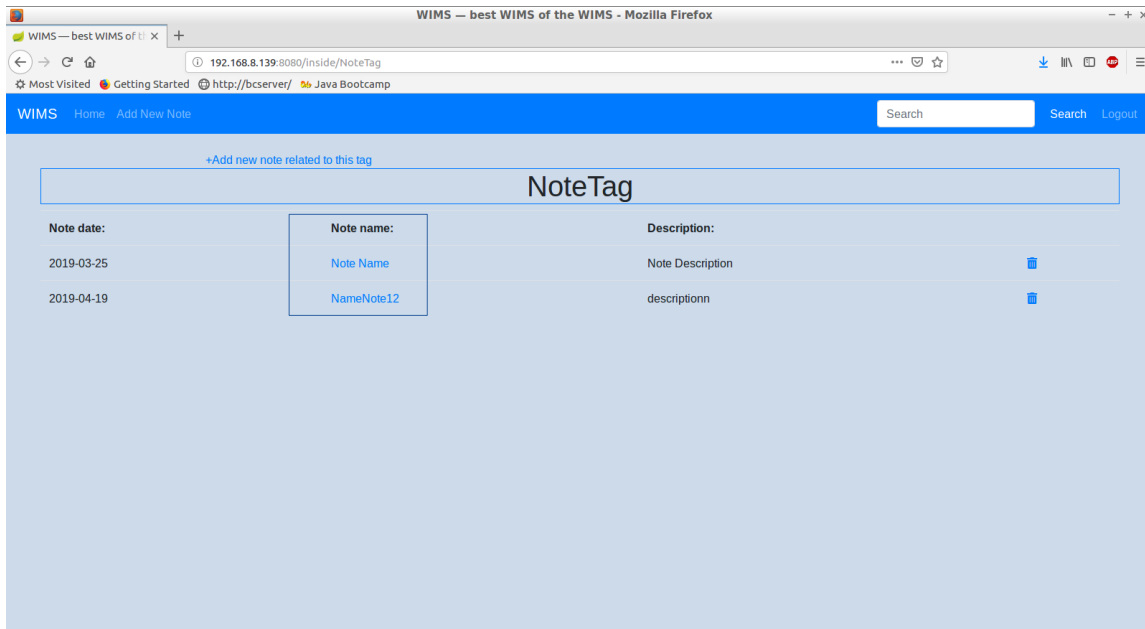

The screenshot shows the WIMS main page in the browser. A green message box at the top says "note saved". Below it is a "Notes" section with a table of saved notes:

Date:	Name:	Tags:
2019-03-25	Note Name	NoteTag

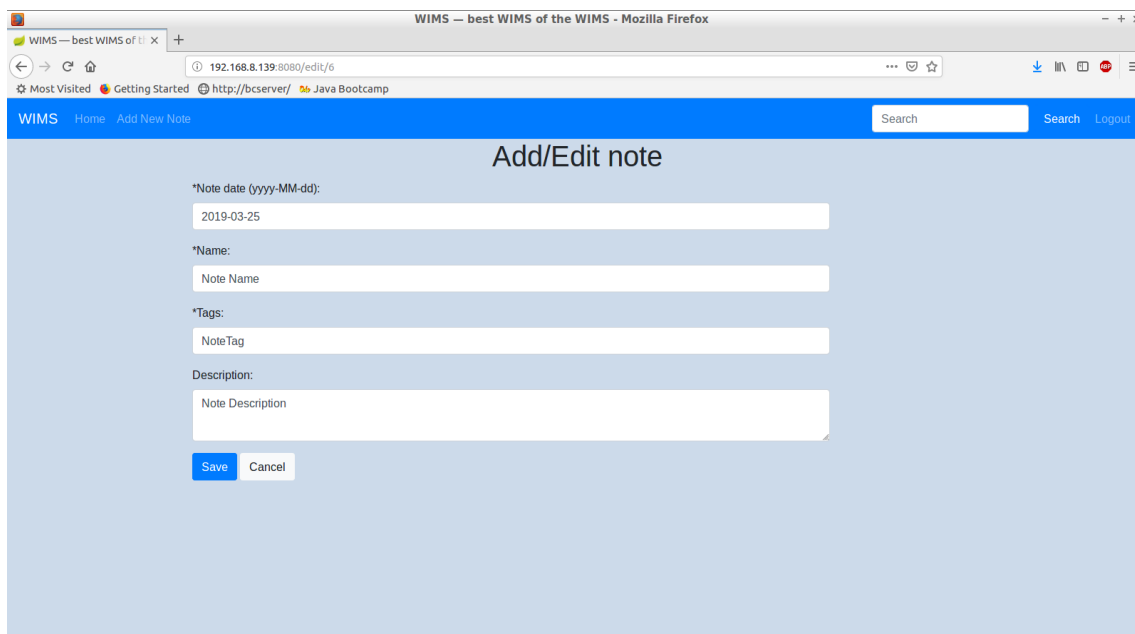

Below the table is a "Tags" section with a button labeled "NoteTag".

4.2 Note editing/reading

1. Got to WIMS page.
2. Login with your username and password.
3. Click on the name of the note you want to edit/read.

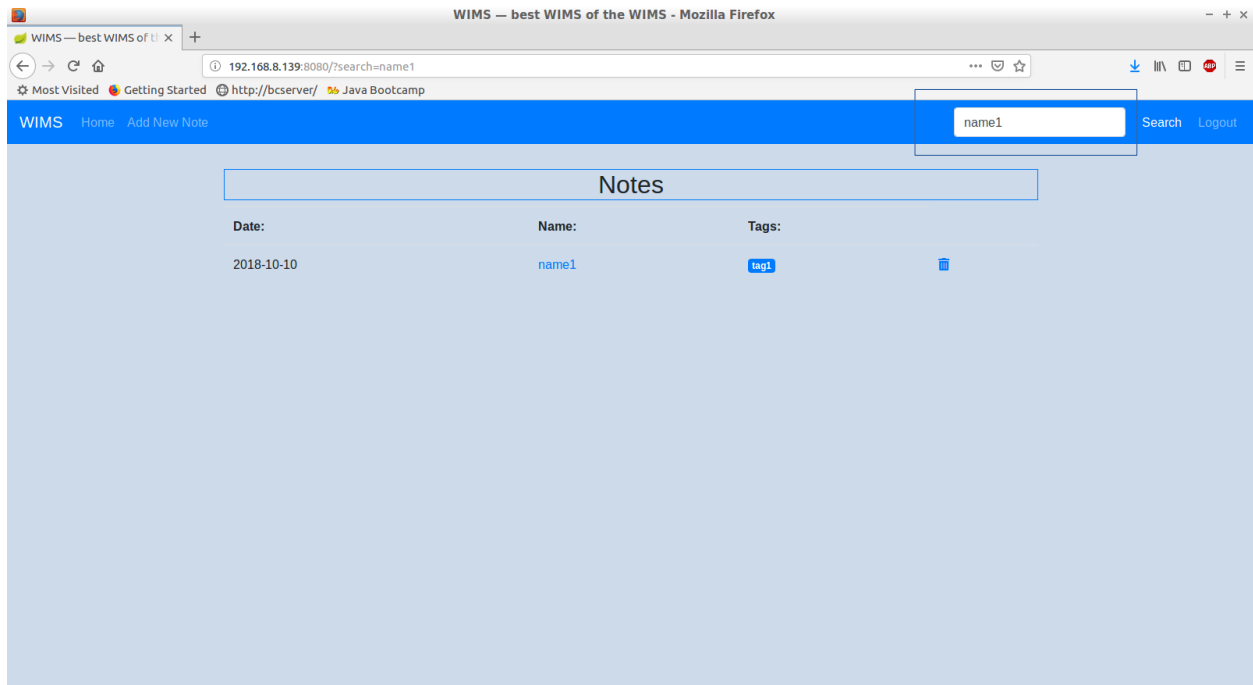

4. You will be redirected to note editing page.
5. Edit the note, press Save to save changes or Cancel to go back to Main Page.

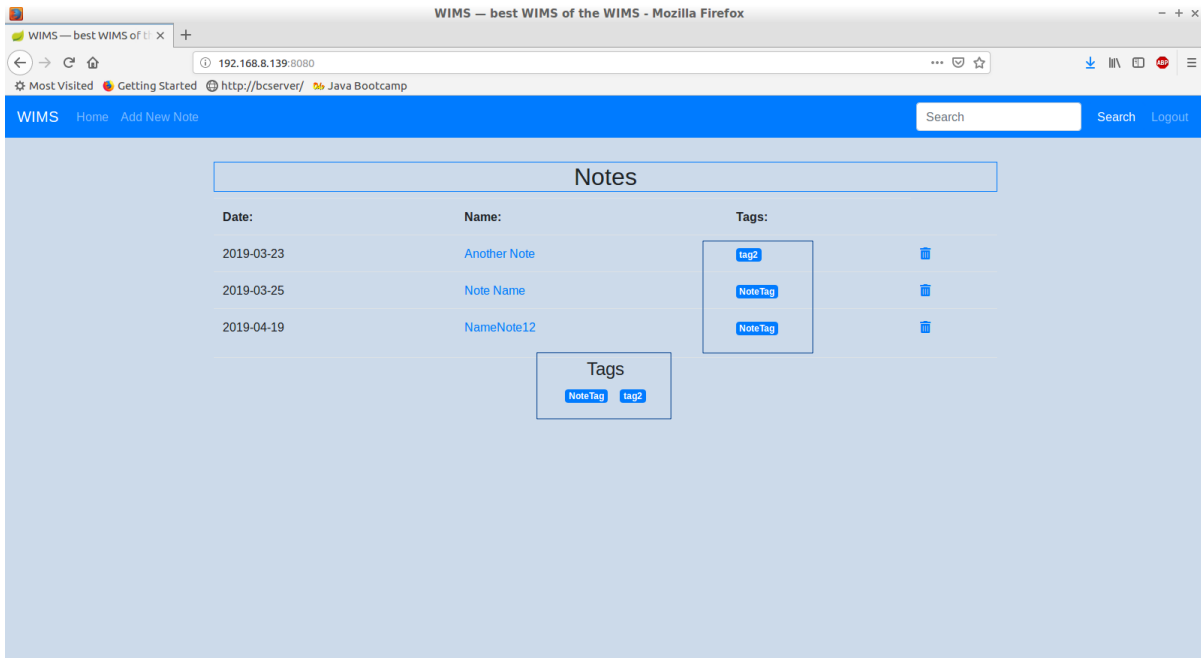

4.3 Note searching

1. Go to WIMS page.
2. Login into your account
3. Enter searching criteria into searching field on navigation bar

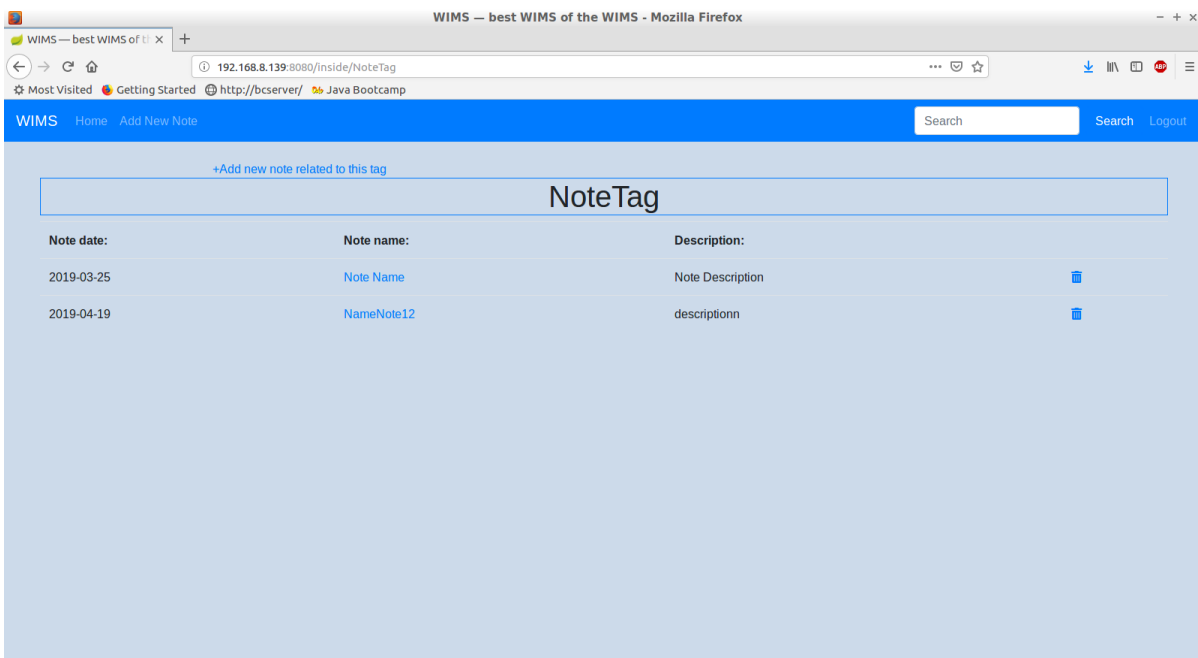

4.4 Note browsing by tag

1. Go to WIMS page.
2. Login with your username and password.

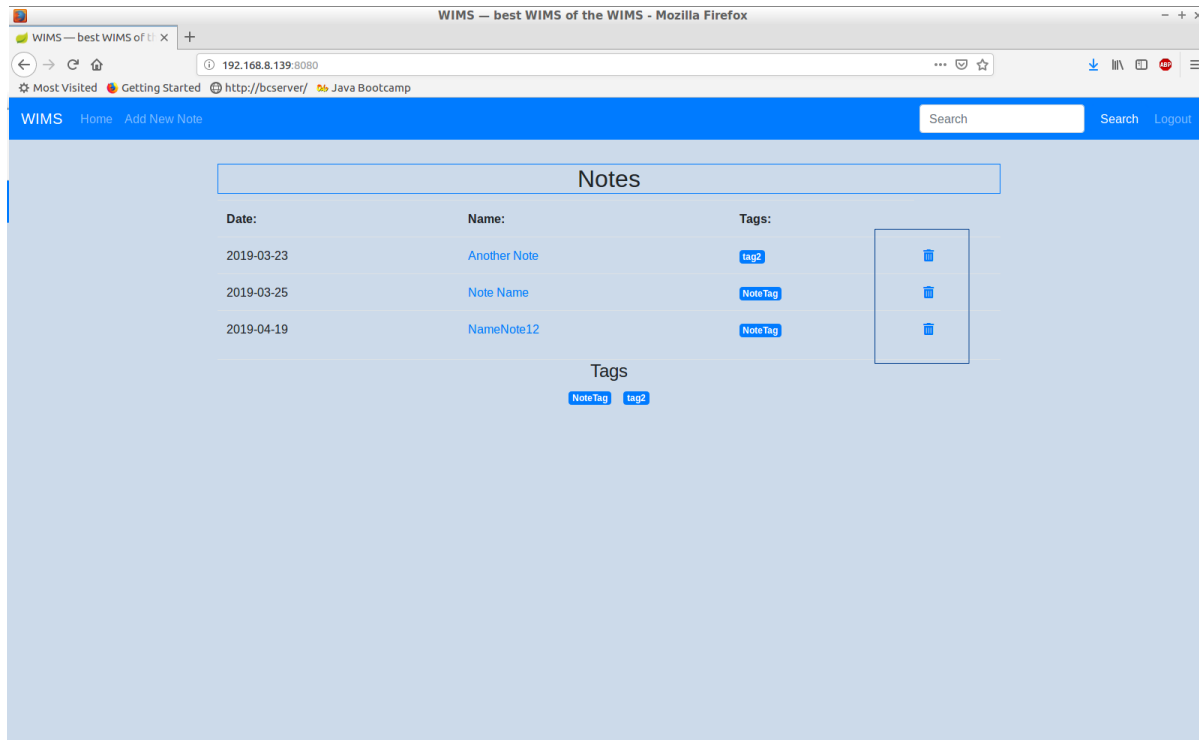

3. Click on the tag from Tag list.
4. You will be redirected to Tag Page

You can edit/read your notes from this page just like from Main Page.

4.5 Note deletion

1. Go to WIMS page.
2. Login with your username and password.
3. You will be redirected to main page.
4. Click on a bin icon next to the note you want to delete.

5. Note will be deleted.
